

Tasneef Asset Integrity

Integrated Management System Policy

Tasneef Training Center (TTC) is committed to achieve sustainable growth and economic viability by protecting the environment, providing safe and health working conditions safeguarding employees and satisfying our Client expectations and enhancing quality of our all deliverables in the field of technical inspection, training, and consultancy services.

To implement this IMS policy, Tasneef Asset Integrity will adhere to the following objectives:

- Eliminate OHS Hazards and Manage/Reduce risks to a level that ensure Safety of employees and interested parties and satisfaction of clients and protection of the environment.
- Communicate and consult with employees to ensure participation and provide all levels of management, supervision, and employees accountable for IMS performance
- Continual improvement through continual monitoring of our performance for improving our system and services.
- Meet customers/stakeholders needs and exceed their expectations.
- Comply with statutory, regulatory, legal requirements, accreditation bodies requirements as well as applicable international standards (ISO 9001, 14001, 45001 and 17024) as relevant and as applicable to all our activities.
- Setting, monitoring, and reviewing IMS targets and objectives
- Provide appropriate resources and develop our staff competences and skills to acquire new qualifications needed.
- Ensuring the safety of the personnel and assets. prevent accidents and cases of work-related injuries and ill-health.
- Adopt environmentally friendly technology and practices where possible with an aim to reduce waste, improve the efficient use of energy, conserve natural resources, prevent pollution and ensure emergency preparedness.
- Confidentiality of data - all the information received by or available to TTC shall be regarded as strictly confidential and shall not be divulged to any third party without the express permission of the organization or individual concerned – Clients and staff data will be retained in a secure manner, only accessible to authorized staff.
- Impartiality of judgement, independence, and integrity in all service aspects.

Integrated management system policy is ensured to be communicated and understood to all levels in the organization and to our stakeholders and reviewed periodically focusing on continual improvement of the IMS.
